Dear Mr [REDACTED]

**Re: Evaluation of Qualification**

---

I refer to your application received on 9<sup>th</sup> March 2010 in which you requested the MQRIC, to assess the document having the following description profile:

Title of Award: MBA  
Awarding Institution: Institute Universitaire Kurt Bosch - IUKB  
Country of Qualification: Switzerland  
Year of Issue: 2009

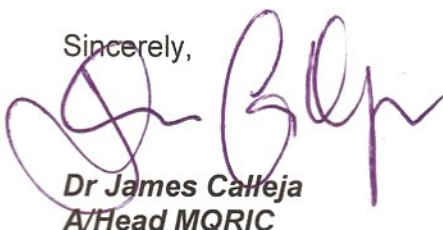

MQRIC confirms that since the **"Institute Universitaire Kurt Bosch - IUKB"** is an institution which is recognised by the Swiss authorities as having the power to award its own degrees and so its degrees are also recognised. Thus the above mentioned qualification is recognized and will be referenced to Level 7 of the Malta Qualifications Framework (MQF).

May I kindly point out that the Mutual Recognition of Qualifications Act XVIII of 2002 empowers Designated Authorities to make further evaluation of qualifications and experience. If the intention is that of practising a profession, in terms of the aforementioned Act one has to submit an application to the relevant Designated Authority requesting authorisation to practise the profession.

Furthermore, the MQRIC points out that those boards, officially appointed to make recommendations on qualifications' allowances or to conduct a selection process in connection with a recruitment or promotion/progression exercise, are also empowered to further evaluate qualifications.

With every good wish.

Sincerely,

**Dr James Calleja**  
A/Head MQRIC
