Re: Prospective Bachelors Degree in Business Administration (Prospective)

I refer to your application received on 26 March 2008 in which you requested the Academic Credentials Evaluation Board (ACEB), within the MQRIC, to assess the prospective qualification having the following description profile:

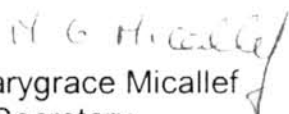

Title of Award: Bachelor Degree in Business Administration (Prospective)

Awarding Institution: Tbilisi Saero Universiteti "Metekhi"

Country of Qualification: Georgia

The ShPS Tbilisis Saero Universiteti "Metekhi" (Tbilisis National University "Metekhi Ltd." is a Georgian accredited higher education institution and so the diplomas it awards are recognised.

It is pertinent to point out that the Mutual Recognition of Qualifications Act XVIII of 2002 empowers Designated Authorities to make further evaluation of qualifications and experience. If the intention is that of practising a profession, in terms of the aforementioned Act one has to submit an application to the relevant Designated Authority requesting authorisation to practise the profession.
